

INFORMATION AND DRESS CODE FOR CONFIRMATION DAY

As every candidate knows, a sacrament is an external (visible) sign instituted by Christ to give grace. Therefore, it is important that we focus on both external appearance and internal conversion during all our sacramental ceremonies.

While the church greatly respects the uniqueness and individuality of each of its members, it maintains that modesty is a fruit of the Holy Spirit and that "Teaching modesty to children and adolescents means awakening in them respect for the human person." Catholic Church 25234).
